MANAGEMENT INFORMATION CIRCULAR

as at January 20, 2022

This management information circular (“Information Circular”) is furnished in connection with the solicitation of proxies by management of Parallel Mining Corp. (the “Company”) for use at the annual general meeting (the “Meeting”) of the shareholders of the Company (the “Shareholders”) to be held on February 23, 2022 and any adjournment or postponement thereof, for the purposes set forth in the attached Notice of Annual General Meeting (the “Notice of Meeting”). Except where otherwise indicated, the information contained herein is stated as of January 20, 2022.

In this Information Circular, references to the “Company” and “we” refer to Parallel Mining Corp. “Common Shares” means common shares without par value in the capital of the Company. “Registered Shareholders” means Shareholders whose names appear on the records of the Company as the registered holders of Common Shares. “Non-Registered Shareholders” means Shareholders who do not hold Common Shares in their own name. “Intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Shareholders. Unless otherwise indicated, all references to “\$” or “dollars” in this Information Circular means Canadian Dollars.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged to send meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (non-objecting beneficial owners). We have not arranged for Intermediaries to forward the meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (objecting beneficial owners) under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”). As a result, objecting beneficial owners will not receive the Information Circular and associated meeting materials unless their Intermediary assumes the costs of delivery.

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy (the “Proxy”) are officers of the Company or solicitors for the Company. **If you are a Registered Shareholder, you have the right to attend the Meeting or vote by proxy and to appoint a person or company other than the person designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy.**

If you are a Registered Shareholder you may wish to vote by proxy whether or not you are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed form of proxy and returning it to the Company’s transfer agent, Computershare Trust Company of Canada (“**Computershare**”), in accordance with the instructions on the Proxy.

In all cases you should ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment or postponement thereof at which the Proxy is to be used.

Every Proxy may be revoked by an instrument in writing:

- (i) executed by the Shareholder or by his/her attorney authorized in writing or, where the Shareholder is a company, by a duly authorized officer or attorney of the company; and

- (ii) delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof, at which the Proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof,

or in any other manner provided by law.

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf. If you are a Non-Registered Shareholder, see “Voting by Non-Registered Shareholders” below for further information on how to vote your Common Shares.

Exercise of Discretion by Proxyholder

If you vote by Proxy, the persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified;
- (ii) any amendment to or variation of any matter identified therein;
- (iii) any other matter that properly comes before the Meeting; and
- (iv) the exercise of discretion of the proxyholder.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matters that could come before the Meeting.

Voting by Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder’s Intermediary or an agent of that Intermediary. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

If you have consented to disclosure of your ownership information, you will receive a request for voting instructions from the Company (through Computershare). If you have declined to disclose your ownership information, you may receive a request for voting instructions from your Intermediary if they have assumed the cost of delivering the Information Circular and associated meeting materials. Every Intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada.

If you are a Non-Registered Shareholder, you should carefully follow the instructions on the voting instruction form received from Computershare or Broadridge in order to ensure that your Common Shares are voted at the Meeting. The voting instruction form supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf.

The voting instruction form sent by Computershare or Broadridge will name the same persons as the Company's proxy to represent you at the Meeting. Although as a Non-Registered Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your Intermediary, you, or a person designated by you (who need not be a Shareholder), may attend at the Meeting as Proxyholder for your Intermediary and vote your Common Shares in that capacity. To exercise this right to attend the Meeting or appoint a Proxyholder of your own choosing, you should insert your own name or the name of the desired representative in the blank space provided in the voting instruction form. Alternatively, you may provide other written instructions requesting that you or your desired representative attend the Meeting as Proxyholder for your Intermediary. The completed voting instruction form or other written instructions must then be returned in accordance with the instructions on the form.

If you receive a voting instruction form from Computershare or Broadridge, you cannot use it to vote Common Shares directly at the Meeting – the voting instruction form must be completed as described above and returned in accordance with its instructions well in advance of the Meeting in order to have the Common Shares voted.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no person or company has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors or the appointment of auditors. For the purpose of this paragraph, "person" shall include each of the following persons or companies: (a) if the solicitation is made by or on behalf of management of the Company, each person who has been a director, senior officer or insider of the Company at any time since the beginning of the Company's last financial year; (b) if the solicitation is made other than by or on behalf of management of the Company, each person or company by whom, or on whose behalf, directly or indirectly, the solicitation is made; (c) each proposed nominee for election as a director of the Company; and (d) each associate or affiliate of any of the persons or companies included in subparagraphs (a) to (c).

RECORD DATE AND QUORUM

The board of directors of the Company (the "**Board**") has fixed the record date for the Meeting as the close of business on January 20, 2022 (the "**Record Date**"). Shareholders of record as at the Record Date are entitled to receive notice of the Meeting and to vote their Common Shares at the Meeting, except to the extent that any such Shareholder transfers any Common Shares after the Record Date and the transferee of those Common Shares establishes that the transferee owns the Common Shares and demands, not less than ten (10) days before the Meeting, that the transferee's name be included in the list of Shareholders entitled to vote at the Meeting, in which case, only such transferee shall be entitled to vote such Common Shares at the Meeting.

Under the Articles of the Company, the quorum for the transaction of business at a meeting of Shareholders is one person who is a shareholder, or who is otherwise permitted to vote shares of the Company at a meeting of shareholders pursuant to the Company's Articles, present in person or by proxy.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company's authorized capital consists of an unlimited number of Common Shares without par value. On the Record Date, there were 20,158,419 Common Shares issued and outstanding, each Common Share carrying the right to one vote. Only Shareholders of record at the close of business on the Record Date will be entitled to vote in person or by Proxy at the Meeting or any adjournment or postponement thereof.

To the knowledge of the directors and executive officers of the Company, as of the date of this Information Circular, no person or company beneficially own or exercise control or direction over Common Shares, directly or indirectly, carrying 10% or more of the voting rights attached to Common Shares.

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Company's directors, the only matters to be placed before the Meeting are those set forth in the accompanying Notice of Meeting and discussed below.

Mr. Anderson was a director of Simba Gold Corp. when it was subject to a cease trade order issued by the British Columbia Securities Commission on August 6, 2015 for failure to file financial statements and management’s discussion and analysis within the prescribed time period.

APPOINTMENT OF AUDITOR

At the Meeting, Shareholders will be asked to approve the appointment of the auditor of the Company. Management is recommending that Shareholders vote to re-appoint Davidson & Company LLP, Chartered Professional Accountants, of 1200 – 609 Granville Street, Vancouver, B.C., Canada V7Y 1G6, as auditor of the Company to hold office until the next annual general meeting of Shareholders, or until its successor has been appointed, and to authorize the directors to fix the remuneration of the auditor.

APPROVAL OF STOCK OPTION PLAN

At the Meeting, Shareholders will be asked to approve the continuation of the Company’s Stock Option Plan (the “**Plan**”). The purpose of the Plan is to provide an incentive to directors, officers, employees and consultants to acquire a proprietary interest in the Company, to continue their participation in the affairs of the Company and to increase their efforts on behalf of the Company.

The following summary of the Plan does not purport to be complete and is qualified in its entirety by reference to the Plan. A full copy of the Plan will be available at the Meeting for review by Shareholders. Shareholders may also obtain copies of the Plan from the Company prior to the Meeting on written request.

Eligible Participants. Incentive stock options (“**Options**”) to purchase unissued Common Shares may be granted under the Plan to (i) employees, senior officers, directors or senior officers of the Company or its subsidiaries; (ii) consultants of the Company; (iii) individuals providing investor relations activities for the Company; or (iv) companies beneficially owned by one or more of the persons referred to in (i), (ii) or (iii) above (collectively, the “**Eligible Persons**”). The Board, in its discretion, determines which of the Eligible Persons will be awarded Options under the Plan.

Number of Shares Reserved. The number of Common Shares which may be issued pursuant to Options granted under the Plan may not exceed 10% of the issued and outstanding Common Shares at the date of granting of Options (including all Options granted by the Company under the Plan). Options that are exercised, cancelled or expire prior to exercise continue to be issuable under the Plan.

Term of Options. Subject to the termination and change of control provisions noted below, the term of any Options granted under the Plan is determined by the Board and may not exceed five years from the date of grant, except, if the Company is designated as a “Tier 1” listed company for the TSX Venture Exchange, then the term may not exceed ten years following the date of grant of the Option.

Exercise Price. The exercise price of Options granted under the Plan is determined by the Board, provided that it is not less than the discounted market price, as that term is defined in the TSX Venture Exchange policy manual or such other minimum price as is permitted by the TSX Venture Exchange in accordance with the policies in effect at the time of the grant. The exercise price of Options granted to insiders may not be decreased without disinterested Shareholder approval at the time of the proposed amendment.

Vesting. All Options granted pursuant to the Plan will be subject to such vesting requirements as may be prescribed by the Exchange, if applicable, or as may be imposed by the Board.

Termination. Any Options granted pursuant to the Plan will terminate upon the earliest of:

- (i) the termination date specified for such Option in the option agreement between the Company and an Optionee;
- (ii) where the Optionee’s position as an employee, a consultant, a director or a senior officer of the Company or a subsidiary is terminated for cause, the date of such termination for cause;
- (iii) where the Optionee’s position as an employee, a consultant, a director or a senior officer of the Company or a subsidiary is terminated for a reason other than disability, death or cause, not more than 90 days after such date of termination or, in the case of a person employed to provide investor relations activities, not more than 30 days after such person ceases to be employed to provide investor relations activities; and
- (iv) the date of any sale, transfer, assignment or hypothecation, or any attempted sale, transfer, assignment or hypothecation, of such Option in violation of the provisions of the Plan.

Disinterested Shareholder approval will be sought in respect of any material amendment to the Plan.

Shareholders will be asked at the Meeting to approve, with or without variation, the following ordinary resolution:

“BE IT RESOLVED THAT:

1. the Company’s Stock Option Plan be ratified, confirmed and approved, and that in connection therewith a maximum of 10% of the issued and outstanding Common Shares at the time of each grant be approved for granting as options;
2. the Board of Directors of the Company be authorized in its absolute discretion to administer the Plan, and amend or modify the Plan in accordance with its terms and conditions and with the policies of the TSX Venture Exchange; and
3. any one or more directors and officers of the Company be authorized and directed to do all acts and things and to execute and deliver all documents required, as in the opinion of such director or officer may be necessary or appropriate in order to give effect to this resolution.”

A copy of the Plan is available at the records office of the Company at #1200 – 750 West Pender Street, Vancouver, British Columbia, Canada, V6C 2T8, until the business day immediately preceding the date of the Meeting, and a copy will also be made available at the Meeting.

The Board recommends that Shareholders vote in favour of the Plan.

VOLUNTARY DELISTING

Shareholders will be asked at the Meeting to consider and, if deemed appropriate, to pass, with or without variation, a resolution (the “**Delisting Resolution**”) authorizing the Company to voluntarily delist the Company’s Common Shares from the TSX Venture Exchange. The implementation of the delisting is conditional upon the Company obtaining any necessary regulatory consents. The Delisting Resolution also provides that the Board is authorized, in its sole discretion, to determine not to proceed with the proposed delisting, without further approval of the Shareholders. In particular, the Board may determine not to present the Delisting Resolution to the Meeting or, if the Delisting Resolution is presented to the Meeting and approved by the Shareholders, the Board may determine after the Meeting not to proceed with completion of the proposed delisting.

At the Meeting, Shareholders will be asked to consider and, if deemed appropriate, to approve, with or without variation, a resolution to voluntarily delist the Company’s Common Shares from the TSX Venture Exchange, as follows:

“BE IT RESOLVED THAT:

1. the Company is hereby authorized to voluntarily delist its securities from the TSX Venture Exchange;
2. notwithstanding that this resolution has been duly approved by the shareholders of the Company, the Board of Directors of the Company, in its sole discretion and without the requirement to obtain any further approval from the shareholders of the Company, is hereby authorized and empowered to revoke this resolution at any time before it is acted upon without further approval from the shareholders; and
3. any one or more directors or officers of the Company are hereby authorized and directed to do all acts and things, and to sign, execute and deliver all documents or writings necessary or desirable, as in the opinion of such director or officer may be appropriate in order to give effect to this resolution.”

To be approved, the Delisting Resolution requires a majority of the minority shareholder approval obtained in accordance with the requirements of the TSX Venture Exchange, being at least a majority of the votes cast on the Delisting Resolution at the Meeting, excluding votes attached to the Common Shares held by promoters, directors, officers and other insiders of the Company. To the knowledge of the Company, such persons own an aggregate of 258,134 Common Shares as at the Record Date, representing approximately 1.28% of all issued and outstanding Common Shares as of such date.

The Board recommends that Shareholders vote FOR the Delisting Resolution.

See "Approval of Stock Option Plan" above for the material terms of the Plan. The Company has not granted or issued any compensation securities to any directors or NEOs of the Company or its subsidiaries in the most recently completed financial year ended May 31, 2021 for services provided or to be provided, directly or indirectly, to the Company or any of its subsidiaries. No director or NEO exercised compensation securities during the most recently completed financial year ended May 31, 2021.

Stock Option Plans and Other Incentive Plans

See "Approval of Stock Option Plan" above for the material terms of the Company's Plan. The Plan was previously approved by Shareholders at the Company's annual general and special meeting held on October 30, 2019, and will be placed before the Meeting for Shareholder approval.

Employment, Consulting and Management Agreements

The Company does not have any agreement or arrangement under which compensation was provided during the Company's most recently completed financial year ended May 31, 2021 or is payable in respect of services provided to the Company or any of its subsidiaries that were performed by a director or a NEO, or performed by any other party but are services typically provided by a director or a NEO.

Oversight and Description of Director and Named Executive Officer Compensation

Other than disclosed herein, no cash compensation was paid to any director of the Company for the director's services as a director during the financial year ended May 31, 2021, other than the reimbursement of out-of-pocket expenses. The Company has no standard arrangement pursuant to which directors are compensated by the Company for their services in their capacity as directors except, as described below.

The objective of the Company's compensation program is to compensate the executive officers for their services to the Company at a level that is both in line with the Company's fiscal resources and competitive with companies at a similar stage of development.

The Company compensates its executive officers based on their skill, qualifications, experience, level of responsibility, the existing stage of development of the Company, the Company's resources, industry practice and regulatory guidelines regarding executive compensation levels.

The Board has implemented three levels of compensation to align the interests of the executive officers with those of the Shareholders. First, executive officers may be paid a monthly consulting fee or salary. Second, the Board may award executive officers long term incentives in the form of stock options. Finally, and only in special circumstances, the Board may award cash or share bonuses for exceptional performance that results in a significant increase in Shareholder value. The Company does not provide medical, dental, pension or other benefits to the executive officers.

The base compensation of the executive officers is reviewed and set annually by the Board. The CEO has substantial input in setting annual compensation levels. The CEO is directly responsible for the financial resources and operations of the Company. In addition, the CEO and the Board from time to time determine the stock option grants to be made pursuant to the Plan. Previous grants of stock options are taken into account when considering new grants. The Board awards bonuses at its sole discretion. The Board does not have pre-existing performance criteria or objectives.

Compensation for the most recently completed financial year should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Company's financial resources and prospects.

The Board has not considered the implications of the risks associated with the Company's compensation policies and practices.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

None of the directors, executive officers, employees, proposed nominees for election as directors and their associates, or any former executive officers, directors and employees of the Company or any of its subsidiaries, is, as at the date of this Information Circular, or at any time since the beginning of the Company's most recently completed financial year been, indebted to the Company or any of its subsidiaries.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Since the commencement of the Company's most recently completed financial year, no informed person of the Company (a director, officer or holder of 10% or more Common Shares) or nominee for election as a director of the Company, or any associate or affiliate of any informed person or proposed director has had any material interest, direct or indirect, in any transaction which has materially affected or would materially affect the Company or any of its subsidiaries.

MANAGEMENT CONTRACTS

Management functions of the Company or any of its subsidiaries are not to any substantial degree performed by anyone other than by the directors or the executive officers of the Company or subsidiary.

CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and charged with the day to day management of the Company. The Canadian Securities Administrators ("CSA") have adopted National Policy 58-201 - *Corporate Governance Guidelines*, which provides non prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, the CSA has implemented National Instrument 58-101 - *Disclosure of Corporate Governance Practices* ("NI 58-101"), which prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The composition of the Board currently consists of four members: John D. Anderson, Allan J. Fabbro, Ian Cooper and John Newell. It is proposed that all four of these individuals be nominated for election at the Meeting.

Of the proposed nominees, Allan J. Fabbro, Ian Cooper and John Newell, are considered to be independent. John D. Anderson, the Company's President and CEO, is considered not independent by virtue of his position as an executive officer of the Company. A director is independent for the purposes of membership on the Board on the basis that he has no direct or indirect "material relationship" with the Company, as provided in NI 58-101. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the director's independent judgement.

Other Directorships

The following table sets forth the directors of the Company who are directors of other reporting issuers (or equivalent):

Name	Name of other reporting issuer

Orientation and Continuing Education

Orientation of new members of the Board is conducted informally by management and members of the Board. The Company has not adopted formal policies respecting continuing education for Board members.

Ethical Business Conduct

The Board has not adopted a formal code of business conduct and ethics. The Board is of the view that the fiduciary duties placed on individual directors by the Company's governing legislation and common law together with corporate statutory restrictions on an individual director's participation in Board decisions in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual general meeting. The Board takes in to account the number of directors required to carry out the Board's duties effectively and to maintain diversity of views and experience.

The Board has not established a nominating committee, and this function is currently performed by the Board as a whole. The Board encourages an objective nomination process through collective communication among the directors.

Compensation

The Board has not established a formal compensation committee. Rather, the independent Board members are responsible for reviewing and determining the adequacy and form of compensation paid to the Company's directors, executives and key employees. The independent Board members evaluate the performance of senior management measured against the Company's business goals and industry compensation levels.

Board Committees

The Board has no committees other than the Audit Committee.

Assessments

The Board annually, and at such other times as it deems appropriate, reviews the performance and effectiveness of the Board, the directors and its committees to determine whether changes in size, personnel or responsibilities are warranted. To assist in its review, the Board conducts informal surveys of its directors and receives reports from each committee respecting its own effectiveness. As part of the assessments, the Board or the individual committee may review their respective mandate or charter and conduct reviews of applicable corporate policies.

AUDIT COMMITTEE

Audit Committee Disclosure

Pursuant to Section 224(1) of the British Columbia *Business Corporations Act* and National Instrument 52-110 – *Audit Committees* (“NI 52-110”), the Company is required to have an audit committee comprised of a minimum of three directors, a majority of whom are not officers, employees or control persons of the Company or an affiliate of the Company. NI 52-110 requires the Company as a venture issuer, to disclose annually in its information circular certain information concerning the composition of its audit committee and its relationship with its independent auditor, as set forth below.

The primary function of the audit committee (the “Committee”) is to assist the Board in fulfilling its financial oversight responsibilities by (a) reviewing the financial reports and other financial information provided by the Company to regulatory authorities and Shareholders; (b) reviewing the systems for internal corporate controls which have been established by the Board and management; and (c) overseeing the Company's financial reporting processes generally. In meeting these responsibilities the Committee monitors the financial reporting process and internal control system, reviews and appraises the work of external auditors and provides an avenue of communication between the external auditors, senior management and the Board. The Committee is also mandated to review and approve all material related party transactions.

The Audit Committee's Charter

A copy of the Committee's charter is attached as Schedule “A” to this Information Circular.

Composition of the Audit Committee

The Committee is comprised of the following members: Allan Fabbro, John Newell and John Anderson. An audit committee member is independent if he has no direct or indirect “material relationship” with the Company. A “material relationship” is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a member's independent judgement. John D. Anderson is an executive officer of the Company and is not considered to be an independent member of the Committee by virtue of his position as an executive officer of the Company.

The members of the Committee are elected by the Board at its first meeting following the annual Shareholders' meeting. Unless a chair is elected by the full Board, the members of the Committee designate a chair by a majority vote of the full Committee membership.
